

W2D2Memo 0.5

26 October 2022

Hello everyone,

Given the shorter time span, W2D2 Memos will come in pretty fast – but, after this one, will go only to those who have registered. (Don't worry if you get behind: you can always find what you need on the W2D2 site and you can always send me an email.) This is the last memo to go to our wider list. After this then, getting a W2D2 Memo confirms your registration.

Here is a tentative schedule:

Fri 28 Oct – Memo 1

Wed 02 Nov – Memo 2; registration ends

Fri 04 Nov – Memo 3

Mon 07 Nov – Memo 4

Wed 09 Nov – Memo 5, if needed

Thu 10 Nov – World Wide Data Day.

All the best,

Ken
